## Purposes

**T**HIS Society is non-sectarian and non-partisan in religious and political matters and its purposes are stated in the Constitution, viz.:

**"The California Society, Sons of the Revolution, has been incorporated for the purposes of perpetuating among their descendants, the memory of those brave men who periled their lives and fortunes in the War of the Revolution to wrest the American Colonies from British dominion; for the collection and preservation of manuscripts, records and documents relating to that contest for Independence; for the inspiration among its members and their children of the patriotic spirit of their forefathers; for the inculcation of a love of country and veneration for the principles which are the foundation of our national unity, and the promotion of social intercourse and cordial fellowship among its members."**

## Eligibility

The following are part of the Constitutional requirements for membership:

Any male person above the age of twenty-one years shall be eligible to membership in the *Sons of the Revolution* who is descended from an ancestor, as the propositus, who, either as a military, naval or marine officer, soldier, sailor, or marine, or official in the service of any one of the thirteen original Colonies or States, or of the National Government representing or composed of those Colonies or States, assisted in establishing American Independence during the War of the Revolution, between the 19th day of April, 1775, when hostilities commenced, and the 19th day of April, 1783, when they were ordered to cease.

*Provided:* That when the claim of eligibility is based on the service of an ancestor in the "minute men" or "militia," it must be satisfactorily shown that such ancestor was actually called into the service of the State or United States, and performed garrison or field duty; and

*Provided further:* That when the claim of eligibility is based on the service of an ancestor as a "sailor" or "marine," it must in like manner be shown that such service was other than shore duty and regularly performed in the Continental Navy, or the Navy of one of the original thirteen States, or on an armed vessel (other than a merchant ship) which sailed under letters of marque and reprisal, and that such ancestor of the applicant was duly enrolled in the ship's company, either as an officer, seaman, or otherwise than as a passenger; and

*Provided further:* That when the claim of eligibility is based on the service of an ancestor as an "official," such service must have been performed in the civil service of the United States, or of one of the thirteen original States, and must have been sufficiently important in character to have rendered the official specially liable to arrest and imprisonment, the same as a combatant, if captured by the enemy, as well as liable to conviction of treason against the government of Great Britain.

## Chronological History Society, Sons of the Revolution In the State of California for 1920

---

January 8th, Annual Luncheon and Annual Meeting of the Corporation and Society.

January 10th, a Bill was prepared for presentation in the House of Representatives at Washington requiring Congress to provide \$2,000,000 to construct a fire-proof museum and repository in which to house and preserve all historical documents, relics and records in the possession of the Government bearing upon the history of our country. This Bill was introduced by Hon. Henry Z. Osborne and was known as "Osborne's Historical Building Bill," H. R. 12482, and was sent to the Committee on Public Buildings. The support of all patriotic, historical and genealogical societies of the country was asked and largely given.

Just one year afterwards to a day fire destroyed about \$2,000,000 worth of valuable records in the Government buildings. Remarks are unnecessary.

January 19th, an account of the activities of this Society and Library was mailed to more than 1,100 newspapers throughout the country. This resulted in a great amount of valuable publicity for our work, and especially for our historical, genealogical and biographical reference library.

February 5th, the 1920 Roster of the Society was mailed. This Roster and War Register gave the war service of our members as completely as it had been possible to obtain it, up to that time. Also a chronological history to date of the activities of this Society.

February 15th, the Society requested the ministers of Southern California to preach a patriotic sermon on Washington's Birthday.

March 3rd, Mrs. Margaret M. Gale presented the Library of this Society with some very valuable genealogies and histories, which we had needed for a long time.

March 5th, the Society issued to the sons and grandsons of members a Junior Certificate, showing their eligibility to membership when of age, and their descent from a Revolutionary Soldier. On the reverse side was a copy of the American's Creed. Other societies were urged to adopt the same idea, and we are pleased to note that several other organizations are now doing so.

April 1st, a Questionnaire was sent the members of the Society in the columns of the "Liberty Bell," requesting their answers to eighteen questions bearing upon important national matters of the day as they related to the radical efforts being made in this country to overthrow the present form of government.

April 19th, at the Triennial Convention of the General Society, Sons of the Revolution, held in Philadelphia, Hon. James Mortimer Montgomery was re-elected General President of the General Society, and Mr. Orra Eugene Monnette was re-elected General Historian of the General Society. Both these General officers are members of the California Society.

The Report of the General Secretary, read at this same Convention, showed that the California Society had during the preceding three years increased in net growth eight more than the next largest record, that of the New York Society, which Society was five times the size of the California Society.

This same date the California Society held a luncheon in commemoration of the Battle of Lexington.

May 5th, the Society had printed and delivered to the Board of Education of the City of Los Angeles 25,000 copies of the American's Creed, on gummed paper, for distribution to the scholars of the public schools in the higher grades, to paste into their books. Several hundred copies of the American's Creed were also printed on larger sheets for framing. The Los Angeles Public Library hung ten of these framed copies of the Creed in the Library and Branch Libraries.

May 15th, the Annual Banquet of the Society was held at the California Club.

May 20th, a revised preliminary form for prospective members was published with a skeleton ancestral chart on the back of it.

June 2nd, the Board of Directors approved the establishing of a "Temple of Fame of American Patriots," if sufficient funds could be obtained to make the plan a success.

June 8th, Mrs. Alpha C. Dutton published under the supervision of the Society a very valuable index to the "Historical Collection of Georgia," by Rev. George White. This index received a cordial welcome throughout the Library field.

August 10th, the Board of Trustees issued a circular setting forth the purposes for which the Board of Trustees had been established, and various needs for which endowment should be provided.

August 30th, resolutions were adopted by the Board of Directors setting forth the need of the Society of securing a large number of genealogies and histories before the rapidly diminishing supply of older works was gone.
